**Re: *Allen v. Koenigsmann, et al.*, 19-cv-8173**

Plaintiffs write with consent to request an extension of our time to file our fees and costs application. The current deadline is Wednesday, December 6, 2023. I would respectfully request an extension until Friday, December 8, 2023. My mentor, John E. Clark, Esq., died very suddenly last Sunday. A great portion of my time since then has been spent assisting his only son with the details that must be tended to after an unforeseen death – including a house in Skiathos, Greece in mid-construction and locating a will, etc. I insist that I personally review all the billing and expense records for the motion as I am best-suited within our firm, but I am also best-suited to help those close to John. I would be grateful for the courtesy of an extension.

Plaintiffs shall have until December 8, 2023, to file their application for fees and costs.

Very truly yours,

/s/ **AJ Agnew**
